

LUCERNE VALLEY UNIFIED SCHOOL DISTRICT

Charter School Oversight Process, 2021-2022

Abstract

In response to recent legislation and associated compliance matters, LVUSD is requiring its charter schools to complete a self-review of their Independence Study program.

The oversight process utilized by LVUSD:

- * has been designed relevant to implementation of pertinent Education Code sections (including Ed.Code Section 47605.required 15 elements). In addition to reviewing the charter school's compliance relevant to California Education Code sections, the oversight process also involves reviewing the charter school's progress towards fulfilling the mission, purpose, goals, objectives and outcomes of the charter school as referenced in the charter school's board approved Petition and contingent Memorandum of Understanding.
- * is based on the Charter School conducting a self-review, including but not limited to, completing self-review survey(s). In response to survey items, electronic documents such as PDF files, pictures, images and/or video, are to be uploaded as evidence in support of the self-review items. The self-review process is followed up with site and/or virtual visitation(s) by LVUSD and/or LVUSD contracted service providers, whereby the completed self-review and included uploaded files are used as reference for the on-site and/or virtual visitation. Oversight visitations, on site and/or virtual, are designed to evaluate and validate the self-review and may include uploaded materials, as well as observations of the actual operations of the Charter School.
- includes, a written summary of the results, including suggestions and/or recommendations and commendations will be provided to the Charter School.

Note: To help assure that the self-review process does not duplicate and is articulated with ongoing state accountability measures, while conducting the self-review, the Charter School may reference recent Financial Reports (Annual Budget, Unaudited Actuals, First Interim, Second Interim, Third Interim-Annual, Annual Audit, P 1, P 2, P 3m Report Review, FCMAT Calculator) LCAP ,Funding Determination Form, School Dashboard, and WASC, materials as confirmation or evidence related to the self-review.

For the 2021 – 2022 school year, in addition to submitting required financial reports, a key area of focus for LVUSD charter schools is independent Study. To help assure that Independent Study programs follow state rules, we have constructed an Independent Study self-review survey. Each LVUSD charter school is to complete the survey. The completed survey and any associated documents are to be returned via email, by March 1, 2022. It is anticipated that the completed surveys will be addressed during our 2021-2022 on site or virtual visit.

Responses:

Yes ---- No ---- NA (Non-Applicable)

Select the appropriate check box for each item.

Completed surveys, along with any attachments, are to be returned via email to Patrick@schresdev.com

Board Policy:	A school district or county office of education (or charter school) may not be eligible to receive apportionments for independent study by pupils unless it has adopted policies that include the following:			
	a) the maximum length of time, by grade level and type of program, that may elapse between the time an independent study assignment is made and the date by which the pupil must complete the assigned work	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	b) (1)The level of satisfactory educational progress and the number of missed assignments that will be allowed before an evaluation is conducted to determine whether it is in the best interests of the pupil to remain in independent study, or whether the pupil should return to the regular school program. A written record of the findings of any evaluation made pursuant to this subdivision shall be treated as a mandatory interim pupil record. The record shall be maintained for a period of three years from the date of the evaluation and, if the pupil transfers to another California public school, the record shall be forwarded to that school.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	(2) Satisfactory educational progress shall be determined based on all of the following indicators:			
	(A) The pupil’s achievement and engagement in the independent study program, as indicated by the pupil’s performance on applicable pupil level measures of pupil achievement and pupil engagement set forth in paragraphs (4) and (5) of subdivision (d) of Section 52060.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Independent study law was written with school districts and county offices in mind – the following definitions are used to apply the laws to charter schools: Title 5 California Code of Regulations Section 11700.1. Additional Definitions Applicable to Charter Schools

a. "Certificated employees," in charter schools, means employees meeting the requirements of subdivision (l) of Education Code Section 47605.

b. "Classroom instruction," with reference to a charter school, means classroom instruction provided either by the charter school or by another public school that the pupil is eligible to attend.

c. "School district" or "district," for the purposes of this subchapter and of Article 5.5 (commencing with Section 51745) of Chapter 5 of Part 28 of the Education Code, means a school district or a charter school, unless the context clearly indicates otherwise. 2 51747(d)-(f) do not apply to pupils that participate in an independent study program for fewer than 15 schooldays in a school year

Board Policy:	(8) The inclusion of a statement in each independent study agreement that independent study is an optional educational alternative in which no pupil may be required to participate. In the case of a pupil who is referred or assigned to any school, class, or program pursuant to Section 48915 or 48917, the agreement also shall include the statement that instruction may be provided to the pupil through independent study only if the pupil is offered the alternative of classroom instruction.	<input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>
	(9) (A) Each written agreement shall be signed, before the commencement of independent study, by the pupil, the pupil's parent, legal guardian, or caregiver, if the pupil is less than 18 years of age, the certificated employee who has been designated as having responsibility for the general supervision of independent study, and all persons who have direct responsibility for providing assistance to the pupil. For purposes of this paragraph "caregiver" means a person who has met the requirements of Part 1.5 (commencing with Section 6550) of Division 11 of the Family Code.	<input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>
	Before signing a written agreement pursuant to this section, and upon the request of the parent or guardian of a pupil, the local educational agency shall conduct a phone, videoconference, or in-person pupil-parent-educator conference or other school meeting during which the pupil, parent or guardian, and, if requested by the pupil or parent, an education advocate, may ask questions about the educational options, including which curriculum offerings and nonacademic supports will be available to the pupil in independent study, before making the decision about enrollment or disenrollment in the various options for learning	<input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>

	Signature & Date & Curriculum Requirements for Master Agreement: Each signature required for an independent study agreement shall be dated. An agreement is not in effect until it is complete as to all terms, signed and dated.	<input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>
Funds or Things of Value	A school district, county office of education or a charter school may not claim state funding for the independent study of a pupil, whether characterized as home study or otherwise, if the charter school has provided any funds or other thing of value to the pupil or his or her parent or guardian that a school district could not legally provide to a similarly situated pupil of the school district, or to his or her parent or guardian. Providing access to connectivity and local educational agency-owned devices adequate to participate in an independent study program and complete assigned work, consistent with paragraph (3) of subdivision (g) of Section 51747, shall not be considered funds or other things of value.	<input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>
Daily Engagement:	Attendance means the attendance of charter school pupils while engaged in educational activities required of them by their charter schools on days when school is actually taught in their charter schools.	<input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>
Time Value:	School districts and charter schools and county offices of education may claim apportionment credit for independent study only to the extent of the time value of pupil or student work products, as personally judged in each instance by a certificated teacher. ³ It is the intent of the Legislature that teachers be given access to digital assignment tracking systems to reduce workload associated with evaluating and accounting for pupil work.	<input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>

Enrollment Restrictions:	Independent study average daily attendance shall be claimed by school districts, county superintendents of schools, and charter schools only for pupils who are residents of the county in which the apportionment claim is reported, or who are residents of a county immediately adjacent to the county in which the apportionment claim is reported.	<input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>
Supervising Teacher:	“General supervision” means the supervising teacher's (1) continuing oversight of the study design, implementation plan, allocation of resources, and evaluation of pupil or adult education student progress for any pupil's or adult education student's independent study; and (2) personal determination or personal review of the determination made by another certificated teacher of the time values for apportionment purposes of each pupil's or adult education student's work products.	<input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>
Special Education:	No individual with exceptional needs, as defined in Section 56026, may participate in independent study, unless his or her individualized education program developed pursuant to Article 3 (commencing with Section 56340) of Chapter 4 of Part 30 specifically provides for that participation.	<input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>

The CDE sent around a memo in 2005 which opined that “daily engagement” attendance accounting and time value attendance accounting to apply to charter schools. In practice, this means a charter school only collects apportionment for any daily engagement of a student on work assigned by the teacher but only on days the school is in session (not holidays or weekends). Then, the credentialed supervising teacher is obligated to also judge the time value of the work product of the pupil.

Pupil to Teacher Ratio:	The applicable average-daily-attendance-to-certificated-employee ratios described in subdivision (a) may, in a charter school, be calculated by using a fixed average-daily-attendance-to-certificated-employee ratio of 25 to 1, or by using a ratio of less than 25 pupils per certificated employee. A new higher or lower ratio for all other educational programs offered by a charter school may be negotiated in a collective bargaining agreement, or a memorandum of understanding indicating that an existing collective bargaining agreement contains an alternative average daily attendance ratio may be entered into by a charter school. All charter school pupils, regardless of age, shall be included in the applicable average-daily-attendance-to-certificated-employee ratio calculations.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
