LUCERNE VALLEY UNIFIED SCHOOL DISTRICT AND
GORMAN LEARNING CENTER SAN BERNARDINO/SANTA CLARITA**

Effective 7/1/2018 through 6/30/2023

The governing board of the Lucerne Valley Unified School District ("District") granted a charter petition ("Charter") to Gorman Learning Center San Bernardino/Santa Clarita ("Charter School") on April 12, 2018, pursuant to the terms of the Charter Schools Act of 1992, as amended. This Charter, among other matters, calls for the District and Charter School to enter into a mutually agreeable memorandum of understanding ("Agreement") regarding the funding entitlements of the Charter School pursuant to the Charter Schools Act. The Charter School and District intend to use this Agreement as the basis for developing similar understandings in future fiscal years.

This Agreement shall serve to clarify the status of the Charter School and define the responsibilities of the parties. This Agreement provides for oversight, direct and indirect services to be provided by the District to Charter School and the remuneration to be paid by Charter School to the District. Education Code Section 47607(a)(2) provides the procedure for a material revision of an existing charter. To the extent that this Agreement is inconsistent with any of the terms of the Charter, the Charter shall supersede the terms of this Agreement. Both Parties agree to meet in good faith to negotiate necessary changes to align the Charter and the Agreement.

- B. Define the oversight responsibility and services the District will provide to the Charter School; and
- C. Clarify responsibilities of each party.

This Agreement is valid for the term of the Charter granted to Charter School, from July 1, 2018 through June 30, 2023. It may be modified or terminated with the written mutual consent of the governing bodies of the District and the Charter School.

This Agreement is automatically terminated if the Charter School's charter is revoked or non-renewed in compliance with Education Code Section 47604.5 or 47607, or rescinded by the Charter School. The Charter School's obligations to maintain insurance coverage and to complete the school closure protocol shall remain in effect following the expiration, revocation, or termination of this Agreement.

- A. The Parties recognize that the Charter School is a separate legal entity. The Charter School shall be operated by Gorman Learning Charter Network, a non-profit public benefit corporation under Education Code Section 47604. As such, in accordance with

Education Code Section 47604(c), if the District complies with all oversight responsibilities required by law, the District shall not be liable for the debts or obligations of the Charter School or for claims arising from the performance of acts, errors, or omissions by the Charter School.

- B. The Charter School is authorized to serve students in grades K-12.
- C. With respect to its operations under this Agreement, the Charter School shall, to the fullest extent permitted by law, hold harmless, indemnify, and defend the District, its officers, trustees, administrators, and employees from and against any and all claims, demands, actions, suits, losses, liability expenses and costs arising under this Agreement including, without limitation, attorneys' fees and costs arising out of injury to any persons, including death or damage to any property caused by, connected with, or attributable to the willful misconduct, negligent acts, errors or omissions of the Charter School's directors, trustees, officers, employees, agents and consultants under this Agreement. For this purpose, "revenue" is defined as the amount received in the current fiscal year from the local control funding formula calculated pursuant to Education Code Section 42238.02, as implemented by Education Code Section 42238.03. The Charter School recognizes its legal responsibility to ensure that no qualified person with a disability shall, on the basis of the disability, be excluded from participation, be denied the benefits of, or otherwise be subjected to discrimination under any program of the Charter School. The audit will be conducted in accordance with generally accepted accounting principles applicable to public schools and in compliance with the audit provisions of the Charter.

- B. The Charter School Board of Directors will review any audit exceptions or deficiencies and determine the means for resolving any such exceptions or deficiencies. Audit exceptions must be resolved to the satisfaction of the District governing board and in accordance with the procedures detailed in the Charter and Education Code Section 47605(b)(5)(I).

X. FACILITIES

As the Charter School is a non-classroom based/personalized learning charter school, the Charter School and the District understand and agree that the Charter School must serve any interested students throughout San Bernardino County and adjacent counties pursuant to Education Code Section 51747.3, and 47605, subdivisions (d)(1) and (d)(2)(A). Additionally, the Charter School must provide appropriate services and resources to enable the Charter School's students to complete their independent study successfully. As such, the Charter School utilizes resource centers to facilitate its independent study program and offer support services to students including, but not limited to, testing, tutoring, enrichment, special education services, and teacher-student meetings.

The Charter School shall locate and operate one resource center within San Bernardino County per Education Code Section 47605.1(d), as follows:

- Redlands Resource Center (and Business Office)
1826 Orange Tree Lane
Redlands, CA 92374

In addition, the Charter School shall locate one resource center within Los Angeles County per Education Code Section 47605.1(c), as follows:

- Santa Clarita Resource Center
16530 Lost Canyon Road
Santa Clarita, CA 91387

The Charter School represents and affirms that its Redlands Resource Center complies with all requirements of Education Code Section 47605.1(d), in that the Charter School has attempted to locate a single site or facility within the boundaries of the District to house its entire program, but such a facility or site is unavailable in the area in which the Charter School chooses to locate. The Charter School further represents and affirms that it has complied with all notification requirements in order to operate the site outside of the District's boundaries but within San Bernardino County pursuant to Education Code Sections 47605(a)(5) and 47605.1(d), including providing the requisite notice to the State Superintendent of Public Instruction, San Bernardino County Superintendent of Schools and

the Redlands Unified School District in which the Redlands Resource Center is located. Specifically, the Charter School represents and affirms that it engaged Guy Arnone/RealtyOne Group to conduct a search within the District's geographic boundaries for any single site or facility to house the Charter School's entire program. The Charter School further represents and affirms that the realtor's search resulted in zero (0) properties for lease within the District's boundaries that met its requirements to house the entire program.

Further, the Charter School affirms that its Santa Clarita Resource Center is: (1) used exclusively for the educational support of students who are enrolled in the Charter School's nonclassroom-based independent study program, and (2) the Charter School provides its primary educational services in, and a majority of the pupils it serves are residents of, San Bernardino County.

The Certificates of Occupancy, Insurance and all other records will be kept on file by the Charter School. The Charter School will maintain active safety plans on file and will hire its own contractors and other appropriate resources as necessary in order to perform maintenance and operations functions required at its facility.

All facilities operated by the Charter School shall be located in accordance with the location and geographic and site limitations of the Charter Schools Act of 1992, including Education Code Sections 47605 and 47605.1. The change of location of any existing facilities, including Resource Centers, used for the education of Charter School students and the addition of any new such facilities, shall constitute a material revision to the Charter. The Charter School shall not relocate any currently operating Resource Centers or open any new Resource Centers or other facilities to be used for the education of students nor operate any other sites pursuant to this Charter without first obtaining approval from the District Governing Board as a material revision to the Charter, which approval shall not be unreasonably withheld.

XI. INSURANCE AND RISK MANAGEMENT

The Charter School shall purchase and maintain in full force and effect at all times during the term of the Charter insurance in amounts and types and provided to the District's risk manager and as specified below.

No coverage shall be provided to the Charter School by the District, including self-insured programs or commercial insurance policies. In the event Charter School adds locations, it shall continue to be the Charter School's responsibility, and not the District's, to monitor its vendors, contractors, partners, or sponsors for compliance with all insurance requirements.

The Charter School's obligations to acquire and maintain insurance as provided in this Agreement shall survive the revocation, expiration, termination, or cancellation of the Charter or this Agreement or any other agreement between the parties or any other act or event that would end the Charter School's right to operate as a charter school pursuant to its Charter or cause the Charter to cease operations until the Charter School has fully complied with the Closure Protocol set forth in the Charter and/or any closure or termination

procedures or requirements in this Agreement or other agreement between the parties and any additional closure procedures required by law, regulation, or required by the California Department of Education.

the District by U.S. Mail or by electronic delivery. The acceptance by the District of the insurance and/or coverage required by the foregoing provisions of this Agreement shall in no way limit the liability or responsibility of the Charter School or of any insurer or joint powers authority to the District.

VERIFICATION OF COVERAGE

The Charter School shall provide to the District duplicate originals of each policy of insurance and/or each memorandum of coverage required by the foregoing provisions of this Agreement, including all declarations, forms, and endorsements, which shall be received by the District's risk manager within thirty (30) days of the approval of the Charter and by July 1 and January 7 of each year thereafter, and at any other time that a policy of insurance and/or memorandum of coverage is changed and at any other time a request is made by the District for such documents. The duplicate originals and original endorsements required by this provision shall be signed by a person authorized by the insurer and/or joint powers authority to bind coverage on its behalf. DEDUCTIBLES AND LIMITS OF LIABILITY

The limits of liability applicable to the policies of insurance and/or memoranda of coverage required by the foregoing provisions of this Agreement shall not reduce or limit the obligation(s) of Charter School to defend, indemnify, and hold harmless the District and the District Personnel.

The limits of liability applicable to the policies of liability insurance and/or memoranda of coverage in place of liability insurance required by the foregoing provisions of this Agreement shall not be reduced by or apply to defense costs or attorney's fees incurred to defend against covered claims.

Any deductible(s) or self-insured retention(s) applicable to the insurance and/or coverages required by the foregoing provisions of this Agreement must be declared to the District.

Charter School shall promptly respond to all inquiries from the District regarding any claims against Charter School and/or any obligation of Charter School under the foregoing provisions of this Agreement and the Charter.

The Charter School shall immediately identify the specific individual who is responsible for coordinating the Charter School's closure activities and shall notify the District. The District shall identify a staff person who shall work with the Charter School to confirm the completion of all closure activities.

In such event, the non-defaulting party may so notify the other party in writing of the default and allow that party a period of thirty (30) calendar days to cure such default, provided the failure to immediately cure the default would not present a danger to the safety or welfare of the charter school students or the public. If the defaulting party does not cure such default within said thirty (30) calendar days; the non-defaulting party shall have the right to terminate this Agreement upon written notice to the other party. Termination of this Agreement shall not equate to revocation of the Charter which may only be accomplished in accordance with Education Code Section 47607 and its implementing regulations. Notwithstanding rights provided through this clause, all service fees for current month and previously certified student attendance shall still be due and payable per the terms of this Agreement. If such default is for failure of the District to pay service fees that have already been transferred to the District from the State or other granting entity, then the District shall only be granted a period of ten (10) working days to cure such default.
