Report on the Financial Statements

We have audited the accompanying financial statements of Virtual Prep Academy @ Lucerne (the School), a California nonprofit public benefit corporation, which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to on page one present fairly, in all material respects, the financial position of the School as of June 30, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the School's financial statements as a whole. The accompanying supplementary schedules, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued a report dated January 26, 2022 on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Virtual Prep Academy @ Lucerne (the School), previously named Elite Academic Workforce Academy, is a California nonprofit public benefit corporation and is organized to manage and operate a public charter school.

The School is funded principally through the state of California public education monies received through the California Department of Education and the Lucerne Valley Unified School District (the District).

The District has granted the charter through June 30, 2025. The charter may be revoked by the District for material violations of the charter, failure to meet pupil outcomes identified in the charter, failure to meet generally accepted standards of fiscal management, or violation of any provision of the law.

In April 2020, the Elite Academic Workforce Academy Board ratified their bylaws and passed a resolution to remove all current Board members (existing Board) and exercised replacement power by appointing two new board members to fill the vacancies in Elite Academic Workforce Academy's Board of Directors. The Elite Academic Workforce Academy Board (new) approved a services agreement with Accel Schools effective July 1, 2020.

Basis of Accounting

The financial statements have been prepared on the accrual method of accounting and accordingly, reflect all significant receivables and liabilities.

Basis of Presentation

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America as prescribed by the Financial Accounting Standards Board.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses

Costs of providing the School's programs and other activities have been presented in the statement of functional expenses. During the year, such costs are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit. The expenses that are allocated include salaries and wages, benefits, payroll taxes, and pension expenses. The remaining expenses are directly applied.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

The School defines its cash and cash equivalents to include only cash on hand, demand deposits, and liquid investments with original maturities of three months or less.

Net Asset Classes

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Accounts Receivable

Accounts receivable primarily represent amounts due from federal and state governments as of June 30, 2021. Management believes that all receivables are fully collectible, therefore, no provisions for uncollectible accounts were recorded.

Property, Plant, and Equipment

Property, plant, and equipment are stated at cost, if purchased, or at estimated fair value, if donated. Depreciation is provided on a straight-line basis over the estimated useful lives of the asset. The School capitalizes all expenditures for land, buildings and equipment in excess of \$1,000.

Revenue Recognition

Amounts received from the California Department of Education are conditional and recognized as revenue by the School based on the average daily attendance (ADA) of students. Revenue that is restricted is recorded as an increase in net assets without donor restriction, if the restriction expires in the reporting period in which the revenue is recognized. All other restricted revenues are reported as increases in net assets with donor restriction.

VIRTUAL PREP ACADEMY @ LUCERNE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions

All contributions are considered to be available for use unless specifically restricted by the donor. Amounts received that are restricted to specific use or future periods are reported as contributions with donor restrictions. Restricted contributions that are received and released in the same period are reported as promises to give without donor restrictions. Unconditional promises to give expected to be received in one year or less are recorded at net realizable value. Unconditional promises to give expected to be received in more than one year are recorded at fair value at the date of the promise. Conditional promises to give (those with a measurable performance or other barrier and a right of return) are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met. As of June 30, 2021, the School did not have any unearned revenue related to conditional grants.

Conditional Grants

Grants and contracts that are conditioned upon the performance of certain requirements or the incurrence of allowable qualifying expenses (barriers) are recognized as revenues in the period in which the conditions are met. Amounts received are recognized as revenue when the School has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as deferred revenues in the statement of financial position. The School has conditional grants of \$25,963 at June 30, 2021.

Property Taxes

Secured property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on September 1 and are payable in two installments on or before November 1 and February 1. Unsecured property taxes are not a lien against real property and are payable in one installment on or before August 31. The County bills and collects property taxes for all taxing agencies within the County and distributes these collections to the various agencies. The sponsor agency of the School is required by law to provide in-lieu property tax payments on a monthly basis, from August through July. The amount paid per month is based upon an allocation per student, with a specific percentage to be paid each month.

Income Taxes

The School is a nonprofit entity exempt from the payment of income taxes under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes. The School is subject to income tax on net income that is derived from business activities that are unrelated to the exempt purposes. The School is subject to income tax on net income that is derived from business activities that are unrelated to the exempt purposes. The School files and exempt school return and applicable unrelated business income tax return in the U.S. federal jurisdiction and with the California Franchise Tax Board.

Evaluation of Subsequent Events

The School has evaluated subsequent events through January 26, 2022, the date these financial statements were available to be issued.

VIRTUAL PREP ACADEMY @ LUCERNE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021

NOTE 2 LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure are those without donor or other restrictions limiting their use within one year of the statement of financial position date. Financial assets available for general expenditures are comprised of cash and cash equivalents and accounts receivable for the total amount of \$657,292.

As part of the School's liquidity management plan, the School monitors liquidity required and cash flows to meet operating needs on a monthly basis. The School structures its financial assets to be available as general expenditures, liabilities and other obligations come due.

NOTE 3 CONCENTRATION OF CREDIT RISK

The School maintains its cash in bank deposit accounts at various institutions. Accounts at these institutions are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At times, cash in these accounts exceeds the insured amounts. The School has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents.

NOTE 4 PROPERTY, PLANT, AND EQUIPMENT

Property, plant and equipment in the accompanying financial statements is presented net of accumulated depreciation. Depreciation expense was \$7,517 for the year ended June 30, 2021.

The components of property, plant, and equipment as of June 30, 2021 are as follows:

Equipment, Furniture and Fixtures	\$ 22,550
Total	<u>22,550</u>
Less: Accumulated Amortization	(7,517)
Total Property, Plant, and Equipment	<u><u>\$ 15,033</u></u>

NOTE 5 REVOLVING LOANS PAYABLE

In August 2018, the School received a revolving loan from the California Department of Education (CDE) in the amount of \$250,000. The loan requires annual principal payments of \$62,502. The loan has a term of four years and carries an interest rate of 2.232%. Annual payments of principal and interest are deducted from the School's apportionment.

The loan repayment is as follows:

<u>Year Ending June 30,</u>	<u>Amount</u>
2022	\$ 62,502
2023	<u>62,494</u>
Total	<u><u>\$ 124,996</u></u>

NOTE 6 EMPLOYEE RETIREMENT

State Teachers' Retirement System (STRS)

Plan Description

The School contributes to the State Teachers' Retirement System (STRS), a cost-sharing multiemployer public employee retirement system defined benefit pension plan administered by STRS. The plan provides retirement, disability and survivor benefits to beneficiaries. Benefit provisions are established by state statutes, as legislatively amended, within the State Teachers' Retirement Law. According to the most recently available Comprehensive Annual Financial Report and Actuarial Valuation Report for the year ended June 30, 2020 total STRS plan net assets are \$283 billion, the total actuarial present value of accumulated plan benefits is \$405 billion, contributions from all employers totaled \$6.1 billion, and the plan is 67.1% funded. The School did not contribute more than 5% of the total contributions to the plan.

Funding

Active plan members hired before January 1, 2013 are required to contribute 10.25% of their salary and those hired after are required to contribute 10.21% of their salary. The School is required to contribute an actuarially determined rate. The actuarial methods and assumptions used for determining the rate are those adopted by the STRS Teachers' Retirement Board. The required employer contribution rate for year ended June 30, 2021 was 19.1% of annual payroll. The contribution requirements of the plan members are established and may be amended by state statute.

The School's contributions to STRS for the past three years are as follows:

<u>Year Ending June 30,</u>	<u>Required Contribution</u>	<u>Percent Contributed</u>
2019	\$ 42,435	100%
2020	\$ 45,475	100%
2021	\$ 41,594	100%

NOTE 7 CONTINGENCIES AND COMMITMENTS

The School has received state and federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, it is believed that any required reimbursement would not be material.

In prior fiscal year, the World Health Organization declared the spread of Coronavirus Disease (COVID-19) a worldwide pandemic. Subsequent to year-end, the COVID-19 pandemic continues to have significant effects on global markets, supply chains, businesses, and communities. Specific to the School, COVID-19 may impact various parts of its 2022 operations and financial results, including, but not limited to, loss of revenues, additional bad debts, costs for increased use of technology, or potential shortages of personnel. Management believes the School is taking appropriate actions to mitigate the negative impact. However, the full impact of COVID-19 is unknown and cannot be reasonably estimated as these events are still developing.

PURPOSE OF SCHEDULES

NOTE 1 SCHEDULE OF INSTRUCTIONAL TIME

This schedule presents information on the amount of instructional time offered by School and whether School complied with the provisions of the Education Code.

NOTE 2 RECONCILIATION OF ANNUAL FINANCIAL REPORT WITH AUDITED FINANCIAL STATEMENTS

This schedule provides the information necessary to reconcile the net assets of the charter schools as reported on the Annual Financial Report form to the audited financial statements.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors
Virtual Prep Academy @ Lucerne
Lucerne, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States of America, the financial statements of Virtual Prep Academy @ Lucerne (the School), a nonprofit California public benefit corporation, which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 26, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency or a combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of the financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

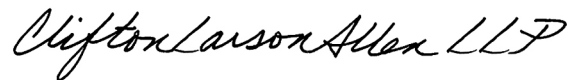

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON STATE COMPLIANCE

Board of Directors
Virtual Prep Academy @ Lucerne
Lucerne, California

We have audited Virtual Prep Academy @ Lucerne's (the School) compliance with the types of compliance requirements described in the *2020-2021 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel for the year ended June 30, 2021. The School's state compliance requirements are identified in the table below.

Management's Responsibility

Management is responsible for the compliance with the state laws and regulations as identified below.

Auditors' Responsibility

Our responsibility is to express an opinion on the School's compliance based on our audit of the types of compliance requirements referred to below. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America, and the *2020-2021 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the specific areas listed below has occurred. An audit includes examining, on a test basis, evidence about the School's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion on state compliance. Our audit does not provide a legal determination of the School's compliance.

Compliance Requirements Tested

In connection with the audit referred to above, we selected and tested transactions and records to determine the School's compliance with the laws and regulations applicable to the following items:

<u>Description</u>	<u>Procedures Performed</u>
Local Education Agencies:	
Attendance and Distance Learning	Not Applicable
Instructional Time	Yes
School Districts, County Offices of Education, and Charter Schools:	
California Clean Energy Jobs Act	Not Applicable

<u>Description</u>	<u>Procedures Performed</u>
Proper Expenditure of Education Protection Account Funds	Yes
Unduplicated Local Control Funding Formula Pupil Counts	Yes
Charter Schools:	
Independent Study-Course Based	Not Applicable
Attendance	Yes
Mode of Instruction	Not Applicable
Nonclassroom-Based Instructional/Independent Study	Yes
Determination of Funding for Nonclassroom-Based Instruction	Yes
Charter School Facility Grant Program	Not Applicable

Opinion on State Compliance

In our opinion, the School complied with the laws and regulations of the state programs referred to above in all material respects for the year ended June 30, 2021.

Purpose of this Report

The purpose of this report on state compliance is solely to describe the results of testing based on the requirements of the *2020-2021 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel. Accordingly, this report is not suitable for any other purpose.
